I'm home!
How was your first day of school?
It was good.
What are you doing?
Yoga.
Cool!
It's like you made a little tent with your body!
A little mom tent!
This is the best.
I could live here forever...
My--
My arms are about to give out--

Look mom!
I can do yosurt too!
It's called yosa, Amy.
And that pose is downward dog.
Woof!
Amy.
Your

underwear's showing.
Hey!
Can I so play at Jemmah's house?
Jemmah?
Isn't that the girl who bit you this morning?
Uh huh.
We're best friends now.
Oh...
Well...
I guess that would be okay...

PING
PONG!
AAAHH!
SWISH!

Why are you wearing a mask?
It scared me!
You just answered your own question.

Hmf!
Well, if you're going to be mean then maybe I'll just go home!
Yep.
You won't get to play with this yogurt mat I brought.
Too bad for you!
I'm going to have fun all by myself.
So there!
Okay.
Bye.
WAIT!

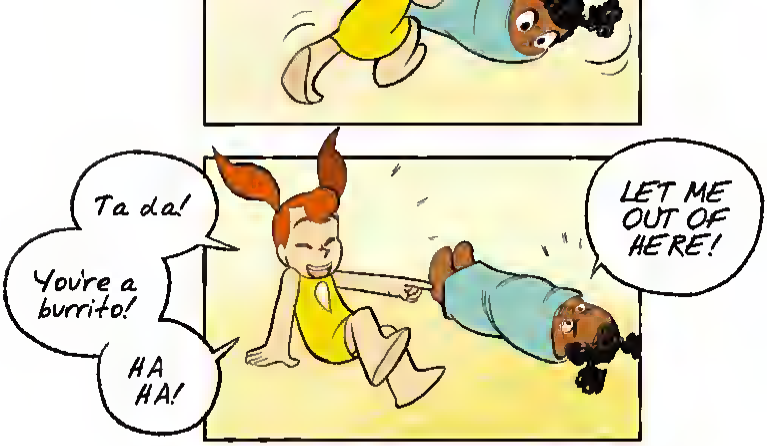
Mom!
Amy came over to play.
Oh--
Hello, Amy.
I hope you know we're sorry about this mornins...

It's fine.
Hey, your house looks a lot like mine...
Yep. Everyone on the mining colony has roughly the same living quarters.
Wow...
What's that you got there?
It's my mom's yogurt mat!
I'm going to teach Jemmah the ancient art of yogurt!
I don't know what that means, but you girls have fun.

Downward dog!
Woof woof!
Clawing cat!
Meow meow!

Mopey monkey!
Ooh...
Ee...
Hey, are you just making this up?
Puffy panda!
Uh...
What noise do pandas make?

For this next pose I'd like you to lay along the top of this mat...
Okay, hold on tight!
ROLL
ROLL



Ta da!
You're a burrito!
HA HA!
